

## AS BASEBALL SEASON DRAWS TO CLOSE

(By Associated Press.)  
NEW YORK, Sept. 28.—A sensational ninth inning rally coming after two were out yesterday enabled New York to maintain its great winning streak and to stretch its record into a new figure. After tying St. Louis in the ninth the locals won in the tenth 3 to 2 for their twenty-third consecutive victory.

Steele, a young lefthanded pitcher, came within one putout of stopping the New York team's sensational run. He held New York to four scattered hits for the first eight innings and allowed no runs. With one out in the ninth he walked McCarty, and Kelly, a pinch hitter, fled to center for the second out. Burns then singled and Herzog tripled to right, driving in McCarty and Burns with the tying runs. Zimmerman opened the tenth for New York with a single and both Fletcher and Kauff beat out bunts, filling the bases with none out. Holke fouled to Miller and with McCarty up Steele made a wild pitch, scoring Zimmerman. St. Louis hit Anderson out of the box in the third, after which Benton, Smith and Ryter held the visitors in check.

(By Associated Press.)  
BROOKLYN, Sept. 28.—Brooklyn played championship ball yesterday and increased its lead one and a half games in the pennant race by beating Chicago 2 to 0. Myers and Daubert opened on Vaughn with three baggers, Myers scoring. Then

Vaughn settled down and pitched grand ball until the seventh, when Cutshaw scratched a hit, took second on Mowrey's sacrifice and scored on Olson's single.

(By Associated Press.)  
PHILADELPHIA, Sept. 28.—Washington hit the ball hard and defeated Philadelphia 13 to 3. The visitors made 17 hits, which included seven twobaggers and a home run off Myers' delivery. Foster and Morgan each had four hits.

(By Associated Press.)  
BOSTON, Sept. 28.—Boston celebrated its homecoming from a successful western trip with a 10 inning victory over New York, 3 to 2. Shore, after holding the visitors hopeless for eight innings, weakened in the ninth and New York tied the score before Mays went into the box and checked the rally. In the tenth Shocker was wild and filled the bases on passes. Shawkey replaced him and Hoblitzel laid down a sacrifice along the third base line, scoring McNally, who ran for Mays. In the first inning Hooper tripled and scored on a wild pitch by Shocker. In the eighth Hooper again started the scoring with a single, moving around to third on hits by Janverin and Shorten and coming home when Shocker passed Hoblitzel. New York scored two runs in the ninth inning on three singles, a sacrifice and a fumble by Hooper.

## MUTILATED MEN RE-EDUCATED

(By Associated Press.)

PARIS, Sept. 28.—A number of remarkable scientific instruments for measuring exactly the efficiency of a wounded soldier to perform some new line of useful work have been put in operation at the Belgian Military Institute at Port Hille, France, for the re-education of mutilated soldiers. While the outer world regards Belgium as prostrate under the iron hand of Germany, it is a striking tribute to the vitality of the country that it has been able to establish such institutions outside of the country.

Here at a small town between Paris and Rouen 1500 Belgian soldiers, most of whom fought in the battle of the Yser, are being made over for some useful occupation. A park of 600 acres has been donated and extensive buildings have been erected. So that Belgium, prostrate as it is, has an establishment, comparing favorably with the best English and French institutions.

## CANNIBALS KILL AND MUTILATE

(By Associated Press.)

SYDNEY, Australia, Sept. 28.—A steamer arriving from the New Hebrides group, about 900 miles off the northeastern coast of Australia, has brought news of the murder of six persons by cannibals. The victims were a British trader named R. J. Bridges and at least five children, whose bodies were found fearfully mutilated with axes and knives, and another child, who is missing, is believed to have been carried off by the cannibals and feasted upon. The murderers were thought to have come from a village on Malekula island, where there are tribes of cannibals who are bound by native custom to kill and eat a human being in order to keep up their rank.

The failure of the French and British punitive expeditions just before the outbreak of the European war to capture any of the perpetrators of similar crimes, and their immunity from punishment for two years past on account of the war, is thought to have emboldened the cannibals.

## JAPANESE IN FAVOR OF THE "OPEN DOOR"

(By Associated Press.)

NEW YORK, Sept. 28.—That the open door in China is for the best interest of Japan, just as a peaceful Mexico with thriving trade is to the interest of the United States, was the declaration of Dr. T. Iyemaga here today at the luncheon of the Japan society to Baron Sakatani, former Japanese minister of finance, and representative of Japan at the recent economic conference of the allies.

## REGULATIONS WITHDRAWN

(By Associated Press.)

WASHINGTON, Sept. 27.—England has withdrawn its regulations for the importation of cigars and tobacco, which the American growers declared would ruin their business, and authorized imports.
